

AXA Framlington Monthly Income Fund

Charges

The charges you pay are used to pay the cost of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest

Entry charge	none
Exit charge	none
This is the maximum that might be taken out of your money before it is invested.	

Charges taken from the fund over a year

Ongoing charges	0.99%
-----------------	-------

Charges taken from the fund under certain specific conditions

Performance fee	none
-----------------	------

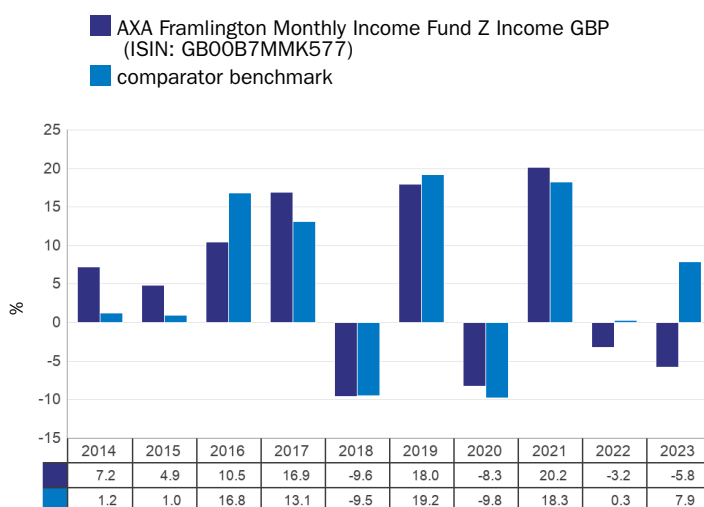

The entry and exit charges shown are maximum figures. In some cases, you might pay less - you can find this out from your Financial Adviser.

The ongoing charges figure is based on expenses for the previous twelve month period. This figure may vary from year to year. It excludes:

- Performance fees
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in another collective investment undertaking.

For more information about charges, please refer to AXA IM website: <https://www.axa-im.co.uk/important-information/fund-charges-and-costs> as well as the Fees and Expenses section of the prospectus which is available at <https://funds.axa-im.com>.

Past performance

Past performance is not a reliable indicator of future results.

Past performance is shown after the deduction of ongoing charges. Any entry/exit fees are excluded from the calculation.

The Sub-Fund was launched on 03/08/1984 and the share class in 1995. Past performance has been calculated in Sterling and is expressed as a percentage change of the Fund's Net Asset Value at each year end.

Prior to 07/08/2019 the comparator benchmark of the Fund was the 100% FTSE All Share Total Return Gross (FTPTTALL). As of 07/08/2019, the comparator benchmark is FTSE All Share index.
