Notes:

- The information in this document should not be taken as a financial solution for individual customers and each customer's financial needs should be assessed by means of a full factfind consultation.
- The figures are quoted on a Bid to Bid basis i.e. price at which investor sells units, to 27/10/2020 and are correct to the best of our knowledge.
- The performance above is based on the last available unit price for each fund. The performance data uses prices that are guides only for the date shown and may be rounded. The prices used for a policy transaction will depend on the date and time of your request. The exact price used in a transaction may vary from the price shown here. The date of the price shown is the date on which these were calculated and reflects the close of markets of the previous working day.
- This Fund Performance Summary should be read in conjunction with the appropriate product brochure which gives full details of all charges applicable.
- Fund availability varies by product type.
- N/A means not applicable as this fund was not in existence at this time.
- (O) at the end of a fund name indicates the fund is open to new business. (C) at the end of a fund name indicates the fund is closed to new business.
- § Gross or (G) and Net or (N) = Fund Taxation Type
 - **Net Funds** - These funds are subject to tax under the "Net" tax regime. This means tax is deducted on an ongoing basis at the prevailing rate, from within the relevant fund on any growth achieved.
 - **Gross Funds** - These funds are subject to tax under the "Gross" tax regime. This means Exit Tax, is deducted at the prevailing rate, only on a chargeable event ie: Withdrawals, Death Benefits, Assignments (other than to a spouse or for a borrowing), issue or revocation of a Trust for an existing policy and the 8th anniversary of the policy and every subsequent 8 years after that on any growth achieved.

Warning: Past performance is not a reliable guide to future performance.

Warning: The value of your investment may go down as well as up.

Warning: If you invest in these funds you may lose some or all of the money you invest.

Warning: These funds may be affected by changes in currency exchange rates.

**Warning: A deferral period may apply to withdrawals and/or switches from certain products.
