**Fund Aim**

WisdomTree WTI Crude Oil - GBP Daily Hedged is designed to provide investors with a total return exposure to commodity futures with a daily currency hedge against movements in the GBP/USD exchange rate by tracking the Bloomberg WTI Crude Oil Subindex Pound Sterling Hedged Daily (the "Index") and providing a collateral yield. WisdomTree WTI Crude Oil - GBP Daily Hedged is an exchange traded commodity ("ETC"). Its securities can be created and redeemed on demand by authorised participants and traded on exchange just like shares in a company. The ETC is backed by swaps. The payment obligations of the swap counterparties to the Issuer are protected by collateral held which is marked to market daily. The collateral is held in segregated accounts at The Bank of New York Mellon.
