Fund Aim

Objective: The objective of the Fund is to provide capital growth with the prospect of income, over the long term (at least five years) by investing in companies whose core products and services address global sustainability challenges. Policy: At least 70% of the Fund is invested in shares of companies based anywhere in the world whose core products and services address global sustainability challenges. Up to 30% of the Fund may be invested in other assets, including shares of other companies, open-ended funds (including funds managed by Jupiter and its associates), cash and near cash. Companies must meet both a comprehensive financial assessment and environmental and social criteria including looking at a full range of ethical exclusions.
