Fund Aim

To generate income and some growth over the longer term (5 years or more) by investing in emerging markets corporate and/or government bonds. Performance Target: To achieve the return of the JP Morgan EMBI Global Diversified Index (Hedged to GBP) plus 2.5% per annum (before charges). The Performance Target is the level of performance that the management team hopes to achieve for the fund. There is however no certainty or promise that they will achieve the Performance Target. The ACD believes this is an appropriate target for the fund based on the investment policy of the fund and the constituents of the index.
