Fund Aim

To generate income and some growth over the long term (5 years or more) by tracking the return of the Bloomberg Barclays World Government Inflation-Linked 1-10 years Index (Hedged to GBP) . Performance Target: To match the return of the Bloomberg Barclays World Government Inflation-linked 1-10 years Index (Hedged to GBP) (before charges). The Performance Target is the level of performance that the management team hopes to achieve for the fund. There is however no certainty or promise that they will achieve the Performance Target. The ACD believes this is an appropriate target for the fund based on the investment policy of the fund and the constituents of the index.
